## ***“A Crafters Tour of Bali”***

***When:***     ***Monday, July 22, 2019***  
                  7:00 p.m.

***Where:***    ***Bandon Public Library***  
                  *Sprague Room*

**Colleen Welch** will share stories and photos from her crafters tour of Bali.

In addition to its natural beauty and unique temples, Indonesia is a major producer of batik fabric in all the world. During her 10 days there, Colleen had the opportunity to wax stamp her own fabric for dying, as well as observe artists hand-painting fabric, wood carving, silver smithing, and practicing the centuries-old tradition of ikat weaving.

*Everyone is welcome, there is no cost to attend, and refreshments will be served.*

*Sponsored by Bandon Library Friends and Foundation*
